Introducing President Travis Engelhard

Hello Kiwanis members.

I am excited to start my leadership position and lead our group this coming year. If any of you have any words of wisdom or ideas, please feel free to let me know. I look forward to learning more about Kiwanis, both as an organization as well as our group's local endeavors.

I am a graduate of Central Michigan University in 2002 and am currently employed with UBCR. We are the exclusive pick-up agent for 70% of the used beverage containers covered under the state bottle deposit law.

I was married to my wife Mindy in August of 2006. We currently live in Jenison. She is a special education teacher at Grant Middle School.

My hobbies include; hunting, fishing, and spending time with friends and family.

I am very impressed with our group's cohesion and friendliness at club meetings. I hope to continue our enthusiasm in the future.

Sincerely,
Travis Engelhard

Kathy Holbrook, St. Cecilia Music Center, talked about the music programs offered. The center is celebrating it's 125 anniversary this year. The center was established in 1883 by nine women who enjoyed music. Their purpose: "... promoting the appreciation, study and performance of music in order to enrich the human spirit and enhance the quality of life for the residents of West Michigan." They raised money to build the current center building in 1894. Music programs have participants from ages 5 through 93. More information online at: <http://www.scmsonline.org>

Craig Rich talked about the Michigan Shipwreck Research Association and their activities related to preserving Michigan's submerged maritime heritage. Besides finding and exploring shipwrecks in Lake Michigan, they produce video and photo documentation of the wrecks and their pre-wreck existence, and provide outreach to school and community groups. Their first find was a luxury yacht in 1997. A recent find was the freighter Chicara, transporting flour from Milwaukee to St. Joseph. More information available at: <http://michiganshipwrecks.org/>

OCTOBER 14

Bruce Boer presented his 2008 music tribute: *I'm So Miserable When You Are Gone*. (Subtitle: *If my nose was running money, I'd blow it all on you.*)

Jerry Swett described the variety of patches that are on our Kiwanis Banners. These patches celebrate the achievement of goals by the clubs.

Jerry noted that the central banner was inherited from the Downtown Kiwanis Club (founded in 1917). The North club (us) was founded in 1952. Some of the patches were inherited from the West Kiwanis Club (most notably the Terrific Kids program).
